1. The owner agrees to pay for the full contracted booking, in the event of the pet being picked up before the due date of departure. Peak rates may apply during certain periods. Please ask for details.
2. The booking is not confirmed until the appropriate deposit is paid. In the event of a cancellation the deposit will be held as credit for the next booking.
3. The Owner agrees to pay all costs and charges for special services requested and all Veterinary costs incurred for the pet during their stay.
4. The owner must advise Pets in the City of any medical conditions or temperament issues appertaining to their pet prior to entering the facility. The Owner authorises Pets in the City or the insurer full access to the pet's Veterinary/medical records if required.
5. All pets must be treated for fleas, ticks and worms prior to visiting Pets in the City. If fleas, ticks or worms are present on the pet, Pets in the City reserve the right to treat the pet and charge for the service.
6. The Owner agrees that if the pet becomes ill or injured and in the opinion of Pets in the City requires medical attention, Pets in the City is authorised to engage a Veterinarian (the Owners Vet will be engaged if possible) and administer medicine as directed by the same. All costs incurred are to be paid by the pet Owner upon check out.
7. The pet will not be released to the Owner until all costs have been paid.
8. The Owner must provide documentation that all vaccinations are current according to Veterinarian requirements (including Lepto' and Kennel Cough (12 month) for Dogs). However it must be understood even though all guests at Pets in the City are vaccinated, this may not fully protect your pet. Your Vet will advise further.
9. The Owner understands that Pets in the City operates a communal interactive play group environment and accepts the positive benefits and potential risks involved.
